MILTON KEYNES DRAGON BOAT FESTIVAL IN AID OF BRAIN TUMOUR RESEARCH

Dragon Boat Racing and the Festival

Dragon boat racing is the fastest growing water activity in Britain today – as well as the most fun! Up to 10 people paddle each 30' boat with a drummer at the front beating time and our helm at the tail steering a straight course. No previous experience is required, just plenty of team spirit! The 21st Milton Keynes Dragon Boat Festival takes place on Saturday 6th July 2024 at Willen Lake and more than 40 teams are expected to compete over the 200m race course, watched by several thousand spectators. As well as the exciting races, a wide range of bankside entertainment, food stalls and fun activities guarantee a fabulous day out for all the family!

Brain Tumour Research - Festival Charity

One in three people knows someone affected by a brain tumour.

Help us get closer to our vision of finding a cure for all types of brain tumours. Your support will further the pioneering research we are funding at dedicated Centres of Excellence across the UK so our scientists can find kinder and more effective treatments. Your support will enable us to continue our crucial campaigning to increase the national investment in research into brain tumours so that we can get closer to a cure for this devastating disease.

Help fund the fight. Together we will find a cure.
