ORGANISER

THE CONSTRUCTION INDUSTRY DRAGON BOAT CHALLENGE IN AID OF CRASH CHARITY

Dragon Boat Racing and the Challenge

Dragon boat racing is the fastest growing water activity in Britain today – as well as the most fun! Up to 10 people paddle each 30' boat with a drummer at the front beating time and our helm at the tail steering a straight course. No previous experience is required, just plenty of team spirit! The 24th London Construction Industry Dragon Boat Challenge takes place on the afternoon of Thursday 23rd May 2024 at Surrey Docks Fitness and Water Sports Centre, London, SE16 7SX and 40 teams from the construction & property sector are expected to compete over the 200m race course. Hundreds of construction companies have already discovered the sport's team building benefits and raised much-needed funds for CRASH so why not be part of it? With bankside entertainment and hospitality, a fabulous event is guaranteed!

The Challenge Charity- CRASH

CRASH is the UK construction industry's charity that helps homelessness charities and hospices with their construction projects. CRASH's work is about creating buildings for vulnerable people that you would want for yourself or the people you love. Well designed and expertly built environments have a positive effect on how we all feel and behave. This is especially true for people who are homeless, and children and adults with life-limiting illness. By taking part in this event, you will help to construct places that care for people when they're most in need.

For more information, please visit crash.org.uk or contact info@crash.org.uk
Registered Charity No. 1054107

Building

Building is construction's go-to weekly title. Through the magazine, the website building.co.uk, tablet and mobile editions, Building provides an unrivalled combination of news, interviews, analysis and hard industry data. Building is the only title that covers all parts of the construction industry, reaching an audience of contractors, housebuilders, architects, clients and surveyors.

For more information visit www.building.co.uk

Entry Details

Crews

Crews comprise up to 10 paddlers plus a drummer – squads may be larger (max 15 persons). Crews can be mixed, all female or all male and companies may enter more than one crew. The minimum age is 16 and no previous experience is required. All crew members must be confident in cold water conditions, wearing light clothing and in moving water and compete entirely at their own risk. BDA qualified helms, buoyancy aids and water safety cover are provided.

Entries

Entries will be accepted on a first come, first served basis. No refunds will be given once an entry has been accepted and there can be no refund if the Challenge or racing has to be cancelled due to conditions outside the control of NewWave Events.

Rules

NewWave Events is an approved operator of the British Dragon Boat Racing Association. All crews accepted for entry must abide with the competition rules and entry conditions on this form. Each crew is guaranteed a minimum of 2 races (subject to conditions).

Charity Sponsorship - how can you help?

In addition to your entry fee donation, each team should aim to raise £300 and continue to help people who are homeless, or those receiving specialist care in a hospice, by transforming the buildings they need. You can set up an online fundraising page for your team at www.justgiving.org.uk/crash. Your company may have a match funding scheme to double donations raised! The crew that raises the most in aid of CRASH will win the CRASH 'Top Fundraiser' trophy and a team prize. All forms with evidence of sponsorship money raised must be handed to the CRASH representatives before 4pm on the event day.

Online Souvenir Programme & Live Results

Raise your profile by advertising in our printed and online souvenir programme (visit our website or scan QR code).

Photography

All photographs from the day will be available to view and download for free in full-resolution after the event on our website dragonboatevents.co.uk/london-construction-dragon-boat-challenge/

We agree to abide by the Challenge rules and entry conditions above. As crew manager I certify that all crew members are water confident and fit to race. I hereby release NewWave Events, the Challenge supporters and charity including their agents, officials and volunteers for any injury or loss caused through our participation. We compete entirely at our own risk. I also agree that NewWave Events and its Challenge partners can use my details given here to provide further information on this event and related services by phone, post or email.
