

# Park Code

The Park is here for you to explore and enjoy. To help protect the natural environment and keep the Park a special place for everyone, please follow our Park Code.

## LANDSCAPE

As a natural landscape some ground may be uneven in places so please take care.

Explore and play safely by following any guidance provided and being aware of the Park's natural landscape and waterways.

The lakes and rivers are deep and the water is untreated. Do not swim or paddle and keep off the ice in winter.

Please leave all plants for others to enjoy.

Let's keep the Park green - please use the recycling and rubbish bins around the Park.

## DOGS

Dogs are very welcome to explore the Park but always keep your dog in sight and under control and do not allow your dog to approach other Park users uninvited.

Always clean up after your dog and use the bins provided.

Please don't leave your dog unattended in a vehicle on warm days.

Please do not disturb wildlife or livestock, and prevent dogs from approaching or chasing them by using leads.

## PARK USERS

There are a number of activities which are not permitted in the Park. For further information please see page 2 of this Park Code .

Enjoy a barbeque using the stands provided. When using disposable barbeques, please raise them off the grass but not onto park furniture. Gas barbeques are not permitted.

Cycling is a great way to explore the Park, but remember these are shared paths so give way to other users and adjust your speed accordingly. Where possible, cycle on the left as you would on a road and remember to use your bell when approaching other Park visitors.

To see the sights of Nene Park on horseback please keep to the marked horse routes.

Fishing is welcomed in designated areas and at certain times of the year. Contact our Visitor Centre for details.

Always respect other people's quiet enjoyment of the Park.

We encourage use of the Park for organised events or outings. Please contact us first to let us assist you in making them successful and safe.

Please feel free to explore the Park from dawn to dusk- but remember that overnight stays are not permitted.

## DUCKS

Duck food is available from the Visitor Centre; but please do not feed other wildlife or livestock.
